SUBPART C. COMPLIANCE

§ 302.1 **NIGC Minimum Internal Control Standards.** These Quapaw Tribal Internal Control Standards provide a level of control that equals or exceeds those set forth in the NIGC MICS, 25 C.F.R. § 542.

§ 302.2 **Compliance based upon revenues.**

§ 302.2.1 Quapaw gaming operations with revenues of more than \$5 million but no more than \$15 million must comply with Subparts 1 through 22.

§ 302.2.2 Quapaw gaming operations with revenues of more than \$15 million must comply with Subparts 1 through 9 and Subparts 23 through 25.

§ 302.3 **Determination of revenues.**

§ 302.3.1 The determination of a gaming operation's revenues shall be made based upon the annual gross gaming revenues indicated within the gaming operation's audited financial statements. Gaming operations moving from one revenue tier to another shall have nine (9) months from the date of the independent certified public accountant's audit report to achieve compliance with the requirements of the new tier.

§ 302.3.2 The TGA may extend the deadline by an additional six (6) months if written notice is provided to the NIGC no later than two weeks before the expiration of the nine (9) month period.

§ 302.4 **Gaming Operations.** Any Quapaw gaming operation shall implement an internal control system that complies with these TICS.

§ 302.5 **CPA Testing.**

§ 302.5.1 An independent certified public accountant ("CPA") shall be engaged to perform "Agreed-Upon Procedures" to verify that the gaming operation is in compliance with these TICS or a TGA Director/Quapaw Gaming Commissioner approved variance pursuant to Subpart 18 of these

TICS. The CPA shall report each event and procedure discovered by or brought to the CPA's attention that the CPA believes does not satisfy these TICS or a variance approved pursuant to Subpart 18 of these TICS. The "Agreed-Upon Procedures" may be performed in conjunction with the annual audit. The CPA shall report its findings to the TGA, the Tribal Business Committee, the QGC, and Management. Two (2) copies of this CPA findings report will be submitted to the NIGC within one hundred and twenty (120) days of the gaming operation's fiscal year end. The CPA's engagement and reporting are based on SSAEs in effect as of December 31, 2003, specifically SSAE 10 ("Revision and Recodification Agreed-Upon Procedures Engagements"). If future revisions are made to the SSAEs or new SSAEs are adopted by the AICPA applicable to this type of engagement, the CPA shall comply with these revised or new standards in conducting engagements pursuant to these TICS and the issuance of the agreed-upon procedures report. The CPA shall perform the "Agreed Upon Procedures" in accordance with the following:

§ 302.5.1.1 As a prerequisite to the evaluation of the gaming operation's internal control systems, the CPA shall obtain and review an organization chart depicting segregation of functions and responsibilities, a description of the duties and responsibilities of each position shown on the organization chart, and an accurate, detailed narrative description of the gaming operation's procedures in effect that demonstrate compliance.

§ 302.5.1.2 The CPA shall complete separate CPA TICS Compliance Checklists for each gaming revenue center, cage and credit, internal audit, surveillance, information technology and complementary services or items. All questions on each CPA TICS Compliance Checklist must be completed. Work-paper references are required for all "no" responses for the results obtained during testing (unless a note in the "W/P Ref" can explain the exception).

§ 302.5.1.3 The CPA shall perform, at a minimum, the following procedures in conjunction with the completion of the CPA TICS Compliance Checklists or other comparable testing procedures:

(a) At least one (1) unannounced observation of each of the following: Gaming machine coin drop, gaming machine currency acceptor drop, table games drop, gaming machine coin count, gaming machine currency acceptor count, and table games count. The CPA shall make arrangements with the gaming operation and TGA to ensure proper identification of the CPA's personnel and to provide for their prompt access to the count rooms.

(i) The gaming machine coin count observation shall include a weigh scale test of all denominations using pre-counted coin. The count shall be in process when these tests are performed, and shall be conducted prior to the commencement of any other walk-through procedures. For computerized weigh scales, the test shall be conducted at the conclusion of the count, but before the final totals are generated.

(ii) The CPA TICS Compliance Checklists shall provide for drop/count observations, inclusive of hard drop/count, soft drop/count and currency acceptor drop/count. The count room shall not be entered until the count is in process and the CPA shall not leave the room until the monies have been counted and verified to the count sheet by the CPA and accepted into accountability. If the drop teams are unaware of the drop observations and the count observations would be unexpected, the hard count and soft count rooms may be entered simultaneously. Additionally, if the gaming machine currency acceptor count begins immediately after the table games count in the same location, by the same count team, and using the same equipment, the currency acceptor count observation may be conducted on the same day as the table games count observation, provided the CPA remains until monies are transferred to the vault/cashier.

(b) Observations of the gaming operation's employees as they perform their duties.

(c) Interviews with the gaming operation's employees who perform the relevant procedures.

(d) Compliance testing of various documents relevant to the procedures. The scope of such testing shall be indicated on the CPA TICS Compliance Checklists, where applicable.

(e) For new Quapaw gaming operations that have been in operation for three (3) months or less at the end of their business year, performance of this regulation, section 302.5, is not required for the partial period.

§ 302.5.2 Reliance on Internal Auditors.

§ 302.5.2.1 The CPA may rely on the work of an internal auditor, to the extent allowed by CPA standards, for the performance of the recommended procedures specified in section 302.5.1.3(b), (c), and (d) of this section, and for the completion of the checklists as they relate to the procedures covered therein provided that the internal audit department can demonstrate to the satisfaction of the CPA that the requirements contained within Subparts 21 and 24 of these TICS, as applicable, have been satisfied.

§ 302.5.2.2 Agreed-upon procedures shall be performed by the CPA to determine that the internal audit procedures performed for a past 12-month period (includes two (2) 6-month periods) encompassing a portion or all of the most recent business year has been properly completed. The CPA shall apply the following Agreed-Upon Procedures to the gaming operation's written assertion:

(a) Obtain internal audit department work-papers completed for a 12-month period (includes two (2) 6-month periods) encompassing a portion or all of the most recent business year and determine whether the CPA TICS Compliance Checklists were included in the internal audit work-papers and all steps described in the checklists were initialed or signed by an internal audit representative.

(b) For the internal audit work-papers obtained in section 302.5.2.2 (a), on a sample basis, re-perform the procedures included in CPA TICS Compliance Checklists prepared by internal audit and determine if all instances of noncompliance noted in the sample were documented as such by internal audit. The CPA TICS Compliance Checklists for the applicable Drop and Count procedures are not included in the sample re-performance of procedures because the CPA is required to perform the drop and count observations as required under section 302.5.1.3 (a) of the Agreed-Upon Procedures. The CPA's sample shall comprise a minimum of three percent (3%) of the procedures required in each CPA TICS Compliance Checklist for the gaming machine and table game departments and five percent (5%) for the other departments completed by internal audit in compliance with the internal audit TICS. The re-performance of procedures is performed as follows:

(i) For inquiries, the CPA should either speak with the same individual or an individual of the same job position as the internal auditor did for the procedure indicated in their CPA TICS Compliance Checklists or other comparable testing procedures.

(ii) For observations, the CPA should observe the same process as the internal auditor did for the procedure as indicated in their CPA TICS Compliance Checklists.

(iii) For document testing, the CPA shall look at the same original document as tested by the internal auditor for the procedure as indicated in their CPA TICS Compliance Checklists. The CPA need only retest the minimum sample size required in the CPA TICS Compliance Checklists.

(c) The CPA shall investigate and resolve any differences between their re-performance results and the internal audit results.

(d) The CPA shall maintain documentation indicating the procedures re-performed along with the results for five (5) years.

(e) When performing the procedures for section 302.5.2.2(b) of this section in subsequent years, the CPA must select a different sample so that the CPA will re-perform substantially all of the procedures after several years.

(f) Any additional procedures performed at the request of the Business Committee, TGA, QGC, or Management shall be included in the Agreed-Upon Procedures report transmitted to the TGA.

§ 302.5.3 Report Format.

§ 302.5.3.1 The SSAE 10 and all future revisions shall be applicable to the CPA's agreed upon procedures report format. Such report shall contain:

(a) The report shall describe all instances of procedural noncompliance with these TICS or approved variances. When describing the agreed-upon procedures performed, the CPA should also indicate whether procedures performed by other individuals were utilized to substitute for the procedures required to be performed by the CPA. For each instance of noncompliance noted in the CPA's agreed-upon procedures report, the following information must be included:

(i) The citation of the applicable TICS for which the instance of noncompliance was noted.

(ii) A narrative description of any noncompliance, including the number of exceptions and sample size tested.

§ 302.5.4 Report Submission Requirements.

The CPA shall prepare a report of the findings and provide one copy for each of the following: the TGA; the Business Committee; the QGC; and Management.

§ 302.5.4.1 The CPA shall prepare a report of the findings and provide one copy for each of the following: the TGA; the Business Committee; the QGC; and Management..

§ 302.5.4.2 The CPA shall maintain the work-papers supporting the report for a minimum of five (5) years (digital storage is acceptable). The TGA may request, and the CPA shall grant, TGA access to these work papers from the CPA.

§ 302.5.5 CPA TICS Compliance Checklists. In connection with the CPA testing pursuant to this section and as referenced therein, the TGA shall provide CPA TICS Compliance Checklists upon request.

§ 303.3 When this Regulation Prevails. § 317.2 **Eligibility.** Management, the QGC, any licensed game vendor, or vendor may make application to the TGA for a variance from TICS requirements. § 317.3 **Tribal Gaming Agency Approval.**

§ 317.3.1 The Director of the TGA may approve a variance for an applicant if the Director has determined that the variance will achieve a level of control sufficient to meet the basic level of security,

accountability, and control of the standard the variance replaces or, in the alternative, may request review and approval by the Quapaw Gaming Commissioner.

§ 317.3.2 For each enumerated standard for which a variance is sought, a detailed request shall include:

§ 317.3.2.1 A detailed description of the variance;

§ 317.3.2.2 An explanation of how the variance achieves a level of control sufficient to meet basic security and accountability issues; and

§ 317.3.2.3 Evidence of any other governmental approval of similar variance, including any NIGC MICS variance.

§ 317.4.3 The Director or Commissioner may extend the forty-five (45) day deadline by written declaration.

§ 317.5 **Declaration of Variance.** The Director or Commissioner shall declare any variance in writing specifically addressing date of beginning and end, if any, of said variance. Full and complete description shall be given by the Director or Commissioner particularly naming the regulation(s) affecting the variance and addressing how security, accounting, and control issues are safeguarded.

Upon a finding of good cause, the Gaming Commission shall have the authority to affirm, modify, reverse, and/or vacate any and all decisions, sanctions, and/or denials issued by the Tribal Gaming Agency and/or the Gaming Corporation. The decision of the Gaming Commission shall be final and not subject to further judicial review.

§ 1103 Right of Appeal

(a) Right of Appeal. Any person or entity aggrieved by a final decision of the Director of the Tribal Gaming Agency or denied a tort or prize claim by the Gaming Corporation may appeal to the Gaming Commission.

(b) Petition for Appeal. Any appeal to the Gaming Commission must be in the form of a Petition for Appeal and shall specifically set forth the reasons for the grievance. The Petition for Appeal must be filed with the Gaming Commission no later than thirty (30) days after the Tribal Gaming Agency's decision or action, or in the case of a Gaming Corporation denial of a tort or prize claim, no later than one hundred and eighty (180) days after the denial.

(c) Filing Fee. A refundable filing fee of one hundred dollars (\$100) made payable to the Quapaw Tribal Gaming Commission shall accompany all Petitions for Appeal, provided that such fee may be waived by the Gaming Commission upon a showing of hardship. A Petition for Appeal shall not be deemed complete until the filing fee is either paid or waived by the Gaming Commission in writing.

(d) Hearing Date. The Gaming Commission shall set the matter for hearing no later than thirty (30) days after receiving a complete Petition for Appeal. Such date may be continued upon a showing of good cause.

§ 1104 Notice of Hearing

(a) Written Notice. The Gaming Commission shall provide the parties with written notice of the hearing at least fifteen (15) business days before the date set for the hearing. For the purposes of these Procedures, the term "business day" shall exclude weekends and Quapaw holidays. The day such notice is received shall be considered a full day's notice.

(b) Content of Notice. The notice shall include the date, time, and location of the hearing, as well as a short, plain statement of the reason(s) for such hearing. This statement shall be sufficient to provide the parties with reasonable notification of the issues to be addressed at the hearing. The notice shall be sent by registered or certified mail, or may be personally served.

(c) Effect of Notice. The scheduling of a hearing does not cause an automatic stay of the decision appealed.

(d) Transmission of Record. Upon receiving the Notice of Hearing, the entity whose decision is being appealed shall compile and transmit to the Gaming Commission the complete record of the case, including all written documents either filed with or issued by the entity related to the matter. Such information shall be transmitted to the Gaming Commission no later than ten (10) business days before a scheduled hearing.

§ 1105 Discovery Procedures for Hearings

(a) Witnesses. Each party shall submit to the Gaming Commission a list of persons that it intends to call as witnesses no later than ten (10) business days before a scheduled hearing. The day the list is received by the Gaming Commission shall be considered a full day's notice. Where known, each witness shall be identified by name, employer, title, and address. In its sole discretion, the Gaming Commission may prohibit any witness not so identified from testifying at a hearing.

(b) Documents. Each party shall submit to the Gaming Commission a copy of all documents or other tangible items that it intends to offer as evidence no later than ten (10) business days before a scheduled hearing. The day the documents are received by the Gaming Commission shall be considered a full day's notice. In its sole discretion, the Gaming Commission may deny admission into evidence of any document or tangible thing not so identified.

(c) Briefing. Parties are encouraged, but not required, to file written briefs concerning the issue(s) on appeal to the Gaming Commission. Any such briefs must be filed no later than ten (10) business days before a scheduled hearing, and should contain a summary of the cases' history, an argument supporting the filer's position, any support for such argument, and a statement of the action desired by the Gaming Commission.

§ 1106 Confidential Materials

(a) Designation. Any document believed to contain confidential information shall be clearly designated as such by the submitter before being submitted to the Gaming Commission.

(b) Use of Confidential Documents. Documents that have been designated as confidential before being submitted to the Gaming Commission shall not be made part of the public record or otherwise disclosed by the Gaming Commission (except as may be required under any applicable law, court order, or the Compacts) without first providing the submitter the opportunity to challenge such action.

(c) Commission Determination of Confidentiality. In determining whether a document designated as confidential before being submitted to the Gaming Commission should be made part of the public record, the Gaming Commission shall balance the submitter's claimed confidentiality concerns against the materiality of the information, the public's right to be made aware of the information, and the Gaming Commission's need to remain accountable for its decisions. In making this determination, the Gaming Commission shall consider all facts and circumstances relevant to making a proper ruling.

1. Any discussions regarding a document's confidentiality shall be conducted by the Gaming Commission in a closed meeting. If a challenge to a document's confidentiality is made during a public session, the hearing shall be adjourned and the Gaming Commission shall conduct a closed meeting in order to hear and rule upon the submitter's request. The Gaming Commission may consider the document and any information contained therein *in camera* in making its determination.

2. The submitter may present written and/or oral argument to the Gaming Commission regarding the claim of confidentiality, along with any facts believed to be relevant to such argument.

3. In the event the Gaming Commission determines that the document in question should *not* be designated as confidential and should be made part of the public record, the Gaming Commission shall give the submitter the opportunity to withdraw the document before making the document part of the public record.

4. In the event the Gaming Commission determines that the document in question should be designated as confidential, the document shall be labeled as such and not be made part of the public record.

(d) Tribal Proprietary Information. The Gaming Commission shall take such steps as necessary to protect the confidentiality of the Tribe's proprietary information, including *in camera* inspections of any books, records, or relevant evidence, where such information is needed in the course of deliberations.

§ 1107 Appearance through Counsel

(a) Attendance at Hearings. Any party to a hearing before the Gaming Commission may appear personally or through an attorney.

1. Exception. All parties must personally attend any hearing on the merits unless his or her

attendance has been waived, in writing, by the Gaming Commission.

2. Failure to attend. Where a party fails to attend, a decision may be entered by default.

(b) Service and Signature Requirements. When a party appears through an attorney, service of all notices, decisions, orders, and other documents shall thereafter be made upon the attorney, unless the party requests otherwise in writing. When a party is represented by an attorney, the attorney shall sign all motions, notices, requests, and other documents on behalf of the party.

(c) Tribal Bar. The Quapaw Tribe of Oklahoma reserves the right to establish a Tribal Bar. Upon so doing, any attorney appearing before the Gaming Commission must be duly admitted and licensed by the Quapaw Tribal Bar to appear before the Gaming Commission. Until such Bar is established, any attorney appearing before the Gaming Commission must be licensed to practice law and in good standing with the State Bar of Oklahoma, or any other federally recognized Indian tribe, state, territory of the United States, or the District of Columbia.

§ 1108 Hearing Procedures

(a) Open to the Public. All hearings of the Gaming Commission shall be open to the public and minutes or other records shall be kept.

(b) Presiding Party. The Gaming Commission shall preside over all hearings, and shall call the proceedings to order, control the presentation of evidence, the appearance of witnesses, and the order of the proceedings.

(c) Order of Hearing. In general, the hearing shall begin with opening statements of all parties. The entity whose decision is being appealed or challenged shall present its opening statement first by briefly stating its case and the evidence by which it expects to support it. The opposing party may then do the same, or may preserve its opening statement to the beginning of its presentation of evidence. Each entity will then be provided the opportunity to present their evidence in full, and then rebut the evidence against them.

(d) Rights of Parties. Any party to the hearing shall have the right to:

1. Explain their side of the controversy;
2. Present evidence supporting their position, and review and challenge evidence against them, including witnesses;
3. Call and examine witnesses. The Gaming Commission, however, shall exercise its discretion to limit the testimony of witnesses where that testimony is argumentative or repetitive; and
4. Conduct cross-examinations reasonably required for a full and true disclosure of the facts.

(e) Witnesses.

1. The Gaming Commission may require any person to appear and testify before it with regard to any matter within its jurisdiction at such time and place as it may designate. Such testimony shall be under oath and may include any matters that the Gaming Commission deems relevant. Failure to appear and testify fully at the time and place designated may result in sanctions.

2. All testimony of witnesses shall be taken under oath. Persons shall be permitted to speak only when recognized.

3. The Gaming Commission may ask questions of witnesses, and may request or allow additional evidence at any time.

(f) Disruptive Conduct. The Gaming Commission shall have the authority to eject any person

from the hearing who is disruptive, disorderly, or who shows a lack of proper respect for the Gaming Commission or the nature of the proceedings.

§ 1109 Evidence

(a) Admissibility. The Gaming Commission shall admit all evidence having reasonable probative value, but shall exclude that which is immaterial, irrelevant, or unduly repetitious. Basic principles of relevancy, materiality and probative force shall govern the proof of all questions of fact. The Gaming Commission shall not be bound by technical rules relating to evidence and witnesses.

(b) Privileges. The Gaming Commission shall give effect to the rules of privilege unless such privilege is waived.

(c) Included in Record. All evidence, including records and documents in the possession of the Gaming Commission or which the Gaming Commission desires to avail itself, shall be duly offered and made a part of the record in the case. Every party shall be afforded adequate opportunity to rebut or offer countervailing evidence.

1. Objections to evidentiary offers and offers of proof of evidence not admitted may be made and shall be noted in the record.

(d) Originals Unavailable. Documentary evidence may be received in the form of copies or excerpts, if the original is not readily available. Upon request, parties shall be given an opportunity to compare the copy to the original.

(e) Official Notice. The Gaming Commission may take official notice of any generally recognized fact or any established technical or scientific fact; but parties shall be notified either before or during the hearing or by full reference in preliminary reports or otherwise, of the facts so noticed, and they shall be afforded an opportunity to contest the validity of the official notice.

(f) Hearing Record. The hearing record shall include:

1. All evidence of prior actions of the Tribal Gaming Agency and/or the Gaming Corporation;
2. All evidence received or considered by the Gaming Commission, except that all evidence designated by the Gaming Commission as confidential shall not be made part of the public record;
3. A statement of any matters officially noticed;
4. Questions and offers of proof, objections, and rulings thereon;
5. Any decision, opinion, findings or report by the Gaming Commission; and
6. The minutes or other record of the hearing.

§ 1110 Subpoenas

The Gaming Commission has the power and discretion to issue subpoenas and to impose reasonable penalties for noncompliance. Subpoenas may be issued to compel any person to appear at a hearing, to give oral testimony, or to produce documents or other tangible items.

§ 1111 Sanctions

(a) If any party, their attorney, or both, fails to comply with any provision of these Procedures, any order of the Gaming Commission, or any other applicable law, regulation or agreement, the Gaming Commission may, in its sole discretion, impose sanctions upon them, including, but not limited to, the following:

1. An order prohibiting the use of any witness, document, or other tangible item;
2. An order that designated facts shall be taken to be established;

3. An order that the disobedient party may not support or oppose designated claims or defenses;
4. An order striking any pleadings or parts thereof;

8. Suspend, deny, or revoke any gaming or gaming-related license, including machine and vendor licenses; or
9. Any other sanction deemed appropriate by the Gaming Commission.

§ 1112 Ex Parte Communications

(a) Ex Parte Communications Prohibited. No ex parte communication regarding the action(s) and/or event(s) before the Gaming Commission shall be made by or on behalf of those party to a hearing before a decision is rendered. No threat or offer of reward shall be made to the Gaming Commission by or on behalf of those party to a hearing before a decision is rendered.

(b) Penalty for Violation. In the event the Gaming Commission determines that an ex parte communication, threat, or offer of reward has been made in violation of this Section, the Gaming Commission shall have the authority to impose any sanction.

§ 1113 Gaming Commission Determinations
