

The logo for the Quapaw Nation is a large circular emblem. The top half of the circle is blue and the bottom half is pink. The words "QUAPAW NATION" are written in a grey arc across the top. Inside the circle, the words "O-GA" are on the left and "PAH" is on the right, both in white. In the center, there is a depiction of a bison standing on a green patch of ground, with a white feather on a pole rising behind it. The background of the center shows a landscape with mountains and a sky with clouds.
