

THREE DAY POTTERY WORKSHOP

Betty Gaedtke, Instructor

“Keeping the Quapaw pottery tradition alive”

Discover how the Quapaws created beautiful pottery during the mid 16th century using only their hands and very simple tools. Participants will start by learning a little about the history of Quapaw pottery and the cultures of those that crafted it.

Betty will then instruct the class in making an Effigy pot, utilizing Quapaw pottery building skills & tradition.
